IG Inspection

EXCERPT FROM D/FBIS DAILY LOG - 31 May 1979

1. I met with [redacted] to discuss the upcoming IG inspection of FBIS. I will meet with the whole team at 10:00 a.m. on 11 July to provide my assessment of FBIS. We will give the whole team a thorough briefing and walk through of FBIS 16 and 17 July. [redacted] will be the principal point of contact. [redacted] will be our point of contact when [redacted] is not available. The team expects to be at FBIS headquarters for six weeks before splitting up and visiting field bureaus beginning in early September. FBIS will draft and coordinate a cable [redacted] explaining the visits [redacted] will prepare and coordinate with FBIS a memo to OGC requesting a legal opinion on the IG Staff responsibility vis-a-vis FBIS foreign national employees. [redacted] hopes to avoid overinvolvement with the FN's. The names of the inspection team members are attached. [redacted] FBIS will have to advise on how best to treat their visits to the bureaus. The team will want three dedicated rooms in Key Building during their headquarters inspection. If FBIS cannot provide, we are asked to coordinate with the Audit Staff and other offices in Key Building to come up with the needed space. The team will probably want to have discussion with some JPRS IC translators. [redacted] hopes to wind up the inspection and his report by mid-November.
